## and socialist.ca Fighting Fund

Now more than ever, we need independent socialist media. **Socialist Worker** and **socialist.ca** don't have rich backers. They are funded through sales, subscriptions and donations from supporters. Each year, we rely on a fund drive to help sustain an independent revolutionary socialist voice in the media.

You can help us reach our \$10,000 target to ensure the printed newspaper – and an expanding website and social media – continue to be the voice of people fighting back.

### Why **Socialist Worker** and **socialist.ca** matter today

We are witnessing unprecedented multi-crises – war, genocide, climate change, economic instability – caused by capitalism which puts profit over people. Far-right leaders scapegoat immigrants and the LGBTQI community for capitalism's failures. But there has also been tremendous resistance over Palestine, workers struggles, Indigenous sovereignty, and against oppression in all forms.

*Socialist Worker* and *socialist.ca* are

consistent voices reporting on these struggles and agitating for action. They also feature political ideas and theory about how we can get rid of this rotten system and build a better world.

### Growing our presence on the streets and online

Thanks to all those who donated to past fund drives, we are sustaining a monthly printed publication and expanding our social media presence giving socialist ideas a much wider reach. With your help, we can continue this process ensuring socialist ideas will find a new audience in an era of crisis and radicalisation.
