## and socialist.ca Fighting Fund

Mark Carney, the banker's banker, stands with the rich and the war profiteers who drive militarism and attack workers, Indigenous people and immigrants.

and agitate for action in support of Indigenous sovereignty, against imperialism and war, and to end oppression in all its forms.

*Socialist Worker* and *socialist.ca* don't have rich backers. They are funded through sales, subscriptions and donations from supporters. Each year, we rely on a fund drive to help sustain an independent revolutionary socialist voice in the media.

### Growing our presence on the streets and online

Every dollar donated helps sustain the monthly printing of *Socialist Worker* and expand our online presence, giving socialist ideas a much wider reach. With your help, we can continue this process ensuring socialist ideas will find a new audience in an era of crisis and radicalisation.

You can help us reach our target. We want to raise \$10,000 to ensure the printed newspaper, website and social media continue to be the voice of people fighting back.

There are a number of ways to contribute to the Socialist Worker Fighting Fund:

### Why does Socialist Worker matter today?

Amidst the multiple crises of war, climate change, racism and a spiraling cost of living, we are also seeing workers fighting for better conditions through strikes and organizing in unions.
